## COCKTAILS

Smashes have been popular for over a century.

But where did they originate and what's their true definition?

To answer those questions, it's good to keep one constant in mind from the get-go: a smash is a julep, but a julep is not always a smash. That's probably the only hard and fast rule of the smash.

## SPIRITS

The Culpeper carries a comprehensive list of the finest spirits, liqueurs and mixers. We do take a particular shine to the beautiful botanicals of Gin and astrological benefits of Bourbon (after a few...). Accordingly, we have a fantastic collection of both for you to enjoy - just ask one of our talented bar staff to walk you through the options.
